TEACHER LANE ADVANCEMENT

Policy

St. Odilia School adheres to the teacher salary schedule, which is approved by school council. Teacher lane advancement is based on college/university credits earned.

Procedure

Teachers advance from BA to BA + 15 when they have earned 15-quarter college credits. To advance to BA + 30 through MA a teacher must earn 30 quarter college credits and be accepted in an accredited masters +/- or specialist program. Teachers advance from MA to MA + 15 when they have earned 15-quarter college credits in an accredited masters +/- or specialist program. To advance MA + 30 and MA + 45 a teacher must earn the necessary quarter college credits and be accepted in an accredited education specialist program. Teachers who have already reached a lane without being in an accredited program will be grandfathered in. As of 3/1/05 there will be no advancement beyond BA + 15 or MA + 15 without acceptance into an accredited college program.
